Vol. 115 No. 99 Cameron, Milam County, Texas, Thursday, February 20, 1975 10 Pages Today

A GRAND PIANO is the latest addition to the Cameron Public Library, purchased by the Cameron Delphian Club and Friends of the Library. Showing the piano is Mrs. J. A. Bowling, Delphian president. In the background are paintings by Donald Pimpler on display at the library during February.

115 With F.M.L.

THE SIZE OF IT. . .

Petty virtues chasing petty vices
Set unending argument underway;
'Til petty virtues and petty vices
Ravel a stringy ball of guileless by-play.

Petty virtues follow petty vices
Exaggerating to prove a point:
Petty virtues are better than petty vices
Whenever, and then only, perspective may anoint.

FML. . .

115-115-115

THE FLOWER CAT. . .

If there were another name for it, Deadline might like doggeral like that, even though she threatens to take up typing just to get even with all the people around here who write.

Meanwhile, Deadline picks her way along desks and bookshelves to get flowers people put in soft drink bottles. (High school students were around the other day selling carnations for a funding project.)

Several bottles held several flowers. But the only one really interesting to Deadline was on a bookshelf in my office.

If she had only broken the bottle, it would have been bearable. But she keeps knocking the bottle over, spilling water where it shouldn't be and trying to eat the flowers.-

Some cats wear flowers in their fur or between their pink ears, but Deadline runs around with them sticking in her mouth. I guess they taste good, which for 65 cents each they should.

By the way, don't tell the humane society, but I clean up her spilled water by dragging Deadline through the water by her tail. I've found if you drag a cat through spilled water against the grain of her fur, it absorbs a lot of moisture. Of course the cat drops the carnation and attacks your hand.

It's almost as much trouble bandaging the scratches and teeth marks as it is wringing out a wet cat.

115-115-115

I was playing a fine, young tennis player from Bolivia the other afternoon in Waco. I went up after an overhead, hit it and snapped the racket at the throat. It was the third frame to go in eight months.

The Bolivian didn't quite know what to make of my three-part return: the ball, the racket head and the handle which I threw when everything came apart. Bobby Riggs would never go to such lengths to win a point.

Deadline sort of laughs when I talk about breaking rackets. Says it's better than breaking the strings of her ancestors.

1974 Last Year For McCullin Civic Award

This year will be the last one for the awarding of theMcCullin Civic Award, according to an announcement by the Cameron Chamber of Commerce.

The award, first given in 1950, has been given to outstanding people for the past 24 years. The 1974 awardee will be the 25th.

Mrs. Barbara Smitherman, Chamber manager, said the chamber had been requested by several individuals and clubs to ake a fresh look at the award, which they feel has served its purpose.

A. W. McCullin, who with Mrs. McCullin first presented the silver cup, also wrote an open letter to the chamber stating that this should be the last year for the award.

A committee of McCullin, Mildred Thornton, Mrs. Forrest Sapp, and L. W. Stroup Jr. will meet to consider some other type of award to be presented in future years.

The chamber is still taking nominations, however, for the 1974 presentation of the cup.

R'bud Calls Elections For City, School Board

Rosebud has called a city election for April 5 at the D. Brown Library and April 5 has also been set for the Rosebud-Lott school trustee election.

Rosebud Mayor Clarence Wolf and Councilman R. J. Brannon have filed for re-election and Howard P. Linn has filed as a candidate for the second council vacancy.

Mrs. Maurine Roark, Rosebud city manager, said polls will be open from 8 a.m. until 7 p.m. with Mrs. M. L. Betheal as election judge and Mrs. H. C. Lamar and Mrs. Ray Binns, election clerks.

Absentee balloting will be from March 17 through April 3 at city hall. Filing dealine is March 5.

The Rosebud-Lott school board has approved April 5 as the date for election of two new trustees.

Polls will be open from 8 a.m. to 7 p.m. at Lott School and Rosebud Intermediate School. Jack Sweeten will be election judge and Mrs. Leona Hargrove, Mrs. Raye Beinhauer, Mrs. Haynes Joiner, and Mrs. Buford Neal, election clerks.

Absentee ballots may be cast from 8 a.m. to 4 p.m. during weekdays at the school office in Travis.

Filing deadling is March 5. Gary Conners of Lott and Monroe Parcus of Rosebud, whose two-year terms expire, have filed for re-election.

2-Car Accident Injures Woman, Daughter

A two-car accident at 11:45 a.m. Saturday resulted in injuries to a Cameron woman and her daughter, according to police reports.

Drivers involved in the collision were Mrs. Maxie Morgan of Cameron and Dean Albright, also of Cameron. Both vehicles were traveling north on N. Fannin when the collision occurred.

Mrs. Morgan was treated at St. Edward Hospital for a broken collar bone and her daughter, Holly, about 2, for a cut on her head. They were treated and released.

Considerable damage was reported to both vehicles but Albright was not injured.

Fund Started For Dohnaliks

The Cameron Volunteer Fire Department has set up a fund to help the Edward Dohnaliks of 1501 N. Davis in Cameron.

Janice Dohnalik, wife of Edward, is gravely ill, according to the firemen, and the fund will be used to help defray some of the exhorbitant hospital expenses that have occured and will continue to occur in the next few months.

Donations may be given to any volunteer fireman or deposited with the Citizens National Bank or the First National Bank in Cameron who will administer the accounts.

Yoe Game Changed

The Yoemen-Burnett game for bi-district has been switched from Tuesday night to Monday night at 7:30 and will be played at Killeen High School gym. The game was originally set to be played in the Taylor gym.

Sewer Extension Set To North City Limit

Residents and businesses in the north part of Cameron will be able to hook up to an extended sewer system after action authorizing the extension at a city council meeting Tuesday evening.

Water Dept. Supt. Alvin Hefft presented figures showing the extension will cost about $4,400 for materials. The work will be done by city employees and cost will be paid out of revenue sharing funds.

Mayor Gene Blake informed the council that gas rates will be considerably higher as Lone Star Gas advised council that its city gate rate will be increased and this will be passed on to the consumer.

A resolution to agree to participate in the reconstruction of 4th St. from the underpass to the city limits nearly failed for lack of a second to Councilman Lawrence Zotz's motion. After discussion Councilman Lincoln Mondrik seconded and vote was unanimous.

The City may, if necessary, draw up an assessment program for curb and gutter along the highway. It was agreed that the city can't afford to do the drainage project in the area.

In other business, council:

--Directed Works Supt. Walter Wallace to paint fire plug zones yellow.

--Okayed expenditure for volunteer firemen to attend A&M training school.

--Promised firemen to buy alert system as soon as funds are available.

--Approved three police dispatchers to attend training school to become reserve police officers. They will be able to attend female prisoners and the school costs the city nothing.

--Voted to join the Texas Utilities Council at a cost of $159 per year.

--Heard Hubert Knight ask to move his night club from Emancipation near OJT School to 807 N. Nolan. He said he'd paid his fee before but the question never came before the zoning committee. His place is in the area where a park is planned.

Kelm Elected President Of Cameron Chamber

William Kelm will take office as new president of the Chamber of Commerce on March 1, with new officers named and new directors elected.

The Chamber also set the date for its annual banquet to be Thursday, March 20. A humorist, Joe Griffith of Dallas TV fame,will be guest speaker.

Bill McCutchen was named first vice president and LaVert McKinney, second vice president.

New directors elected include Dr. Douglas Perrin, McKinney, Monroe Fuchs, Buddy Dulin, Gene Lumpkin, and Charles Kunz.

Appointed directors are Lovic Baugh, Sid Duderstadt, Larry Moraw, Mrs. Carroll Green, Richard Crowe, Odell Biggs, and Pam Browder.

New committee chairmen include: Agriculture, Crowe; Broiler, Jimmy Bledsoe; Civic Improvement, Lumpkin; Education, Rev. John Homerstad; Highway, L. W. Turner Jr.; Industrial, Jim Camp; Ladies Committee, Pam Browder; Membership, Douglas Buck; Publicity , Narvie Caperton; Trade Development, Baugh.

The committee chairmen met Tuesday afternoon to set up their committees and plan programs for the year.

Programs To Teach Students About Signal

A series of five programs in Ada Henderson and Ben milam Schools will be held to teach elementary children how to operate the pedestrian light at the intersection of 4 and Fannin.

The pedestrian light is part of the new traffic lights recently installed by the Texas Highway Department.

Giving the programs will be George Biroski of the Texas Highway Department. He will give the program to students from first through fifth grades.

Since there is no place all the children can gather for the program, Biroski will conduct three programs for Ada Henderson students and two for Ben Milam students.

Van Service Starts

The van for the Senior Citizens Transportation Service will officially start operation on Feb. 24, serving county towns and cities.

On Monday the van will serve Buckholts and nearby surrounding areas; Tuesday, Cameron and surrounding areas; Wednesday, Milano and Gause and surrounding areas; Thursday, Rockdale and surrounding areas; and Friday, Thorndale and surrounding areas.

Buckholts Petitions Court

A petition signed by 47 Buckholts residents has been turned over to County Judge O. B. Harden for placing on the agenda of the next meeting of the Commissioners Court.

The petition, drawn up at a meeting of the citizens Monday night, asks Commissioners to call a election in Buckholts for changing the Buckholts Rural High School District to the Buckholt s Independent School District.

Kubiak Asks Probe Of General Telephone

AUSTIN

Rep. Dan Kubiak has filed a formal request for an investigation of General Telephone Company's rating practices in Texas.

In a letter to Texas Att'y Gen. John Hill, Kubiak said his request was prompted by General Telephone's recurring attempts to concentrate rate increases in rural areas and small cities.

"Last year, this company attempted unsuccessfully to raise rates by up to 300 percent in rural areas, where rates are now unregualted," Kubiak said. "Now, I am concerned that General Telephone is trying to intimidate smaller cities into granting unjustified rate increases."

Kubiak noted that when the community of Thorndale recently declined a rate increase requested by General Telephone, the company asked for a court injunction forcing the increase over the city's objections.

"Smaller communities such as Thorndale are hard-pressed to afford rate consultants and legal experts needed to adequately evaluate rate increase requests," Kubiak said. "We need to be certain that General Telephone is not taking advantage of this situation."

Telephone rates are already higher in the Thorndale-Thrall area than in nearby exchanges, Kubiak said, and the latest rate increase bid would make rates there up to 40 percent higher than other area charges.

"I am not making allegations against General Telephone, but I do think there are areas of potential abuse which should be examined," Kubiak said. "This company's rate-setting procedures, including property valuation procedures for tax purposes, shoud be fully investigated."

First In The Minds...

We note that J. H. Kultgen, chairman of Texas State Technical Institute, is concerned about the lack of TSTI clout in Austin budgeting.

Some of the problem is that junior colleges, four-year colleges and universities, of which there may be more in Texas than most, are fighting over budget during inflating costs.

TSTI is a new concept and successful in the new era of education: technical education for a couple of years beyond high school as opposed to four years of academic or pre-professional training.

Junior colleges have popped up all over Texas as an extension of public schools to fourteen grades, now 15 with kindergarten occurring in public pre-schools. Junior colleges give some of the technical courses offered by TSTI, but not nearly in their number of depth.

Politics is not uncommon in academia. The charge has been leveled at TSTI through the years. Lobbying goes on among all levels of the education for funds. The old constitution and the proposed draft of a new one contain clauses perpetuating on the Texas and Texas A&M systems, for example. It is likely that TSTI in Waco and campuses in South and West Texas are found more contemporary in technology than the junior college concept than the junior college concept of stairstep between high school and a bachelor's degree program.

Someday, the technical institute will approach the sophistication and expertise in Texas that Rochester Institute of Technology affords under one enormous roof in New York. But then industrilization of the Northeast was accomplished fact by the Civil War.

What TSTI needs is the Texas understanding that it is to the Southwest what Rochester Institute is to technology in much of the East.

TSTI is not competition to junior and senior colieges. It is a unique application of technology education to growing needs for skills even in a plateauing economy.

The robes of academia will envelope TSTI when it reaches the maturity of a Rochester Institute of Technology, whose contributions in chemistry, photography, graphics, and crafts is legend through much of the Western world. One visit there by budgeting authority of the Texas Legislature will convince them of TSTI's enormous potential.

Not every level of education can be technically oriented, nor should it be. It is an age of specialization that, first of all, must begin in the minds of educators.

TSTI's future is worthy of the confidence of the education community.

"Low Down" FROM THE Congressional Record

By JOE CRUMP

(A Column for Readers Who Haven't Time to Review the Congressional Record Daily)

LAW BREAKERS GET THEIR MONEY BACK

REP. GEO. E. DANIELSON (Calif.) ". . .I and my colleagues today have introduced a bill to amend sections 610 and 611 of the title 18 United States Code, the Criminal Code, to provide that every corporation, labor organization, or Government contractor who makes an unlawful campaign contribution shall be fined in an amount equal to the amount of the illegal contribution, in addition to any other fines or penalties that may be imposed. . .

"Eighteen corporations have pleaded guilty to one or more counts of violating our Federal laws against political campaign contributions by corporations or Government contractors. . . The total fines imposed total only $49,000 or only less than 4 percent of the total contributions involved.

"Moreover, those illegal contributions must be returned to the corporate donors by the recipients (Either democrats or republicans), leaving the illegal contributors with a net gain of $1,263,865. . .

"The small fines imposed are not due to laxity on the part of the judges who impose them. In all but two cases, the fine imposed for each count was $5,000, the maximum permitted by law. . .

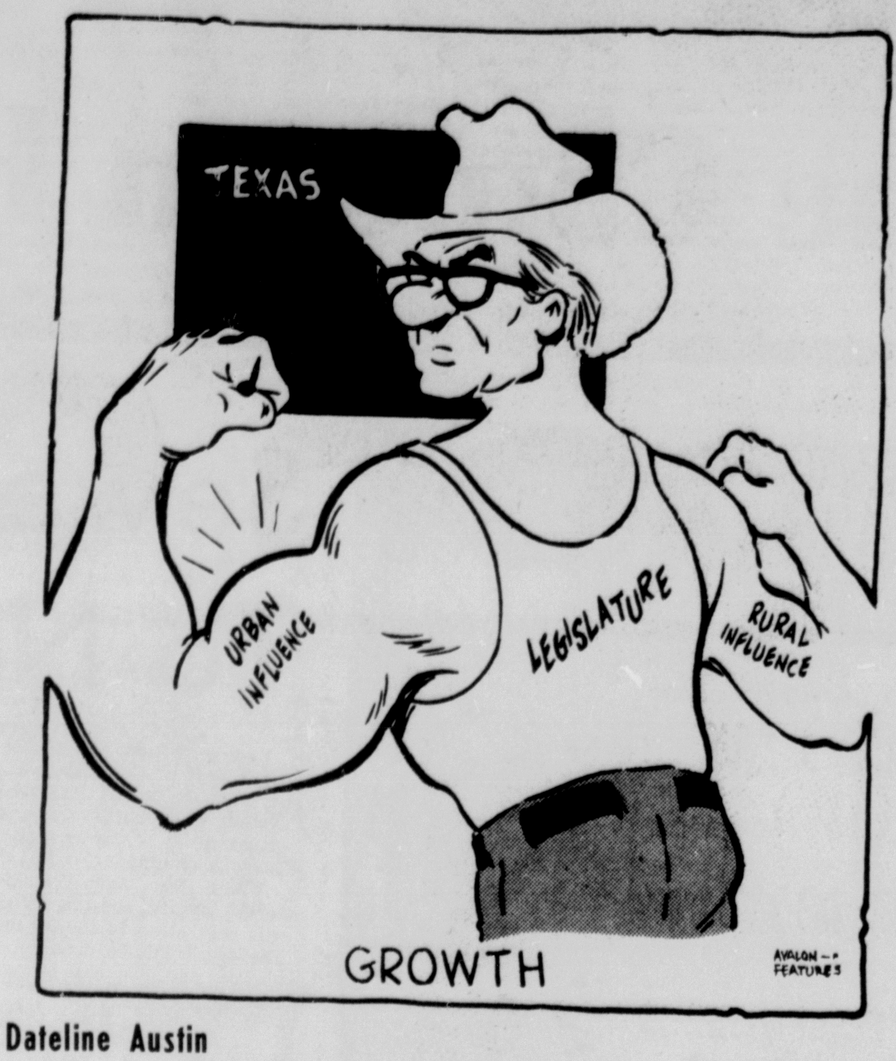
"There follows a detailed listing of illegal campaign contributions which have come to light at this time. . ." (We list the top 10):

Associated Milk Producers--$350,000
Ashland Oil Co. -- $169,365
Northrop Crop--$150,000
Gulf Oil Corp.--$125,000
Phillips Petroleum Corp.--$100,000
Ashland Petroleum Gabon Inc.--$100,000
American Airlines--$55,000
American Shipbuilding Co.--$53,000
Lehigh Valley Co-operative Farmers--$50,000
Good year Tire & Rubber Co.--$40,000

CRUMP'S GRASS ROOTS COMMENT

In fairness to the candidate, he or she, may be unaware that the unlawful contribution was being accepted by their campaign committee There should be no "foot-dragging" in amending the code referred to by Rep. Danielson.

Pliny recommended hemlock as a cure for drunkenness--a rather drastic cure!



Dateline Austin

Legislature Spending About Million A Day

Although, the 64th Legislature has done little that is spectacular, it has managed to spend about a million dollars a day on the average during its first month of operation.

Since reporting for duty here January 14, lawmakers have passed so-called emergency measures totalling $314.8 million. And work on the new biennial budget is just getting started good in House appropriations and Senate finance committees!

A significant part of the total — $123.8 million for increased retirement benefits for state employees and school teachers — is contingent on adoption by voters of a Constitutional Amendment April 22.

The amendment would raise the ceiling on state matching contributions to the retirement systems. If voters won't permit that, the appropriation voted by lawmakers this month will be nullified.

One of the first of the appropriations bills speeded through both houses provides $93 million for immediate pay raises to state employees. More raises will be included in the budget for the new 1976-77 fiscal period.

Another $80 million was allocated as an emergency grant fund to aid school districts which are having a hard time making ends meet.

Another $18 million went to the junior colleges which have been experiencing unexpected growth.

A variety of other smaller appropriations mesaures, totalling several million dollars more, are being acted on speedily.

HIGHWAY FUNDS FREED

President Ford announced he would free $2 billion worth of impounded federal interstate highway funds to help provide jobs and fight the recession.

State Highway Department officials estimated $150 million worth of projects can begin soon when the money is received.

Texas ordinarily contracts for $30 million to $50 million worth of projects monthly, but may take bids on $150 million worth in March and April to get the newly-released funds.

Meanwhile, a federal judge in Washington held the President does not have the power to impound money appropriated to the states for highways by Congress.

Texas and 11 other states filed the lawsuit which brought the new ruling.

HILL BACKED

Atty. Gen. John Hill's lawsuit to block a $45 million intrastate long-distance rate hike by Southwestern Bell Telephone Company won House of Representatives support.

Representatives voted 87-48 for a resolution encouraging Hill to push forward with the action.

Rep. Jim Nugent of Kerrville said Hill is acting in an area without "specific statutory authority" and needs all the backing he can get.

Hill has challenged the increase on grounds that the rates proposed are too high. He won a temporary restraining order to halt the hike, and the case was set for hearing on his request for injunction early this week.

ENERGY PLAN OFFERED

Gov. Dolph Briscoe offered his own energy plan to President Ford in a meeting at Houston.

Included in the Briscoe plan are deregulation of the price of "old" oil, coupled with an excess profits tax. A "plowback credit" would be given on funds used to develop new energy. Briscoe also suggested invoking the Defense Production Act of 1950 to increase the supply of tubular steel needed for drilling.

COURTS SPEAK

A federal district judge in Dallas refused to grant a temporary injunction to prevent the airline pilots union from ordering pilots to honor picket lines of Texas International Airlines strikers. The airline appealed to higher court.

The State Supreme Court held invalid an incorporation attempt of Tucker in Anderson County.

Texas Court of Criminal Appeals turned down the appeal for new trial of an osteopath in Garland who was convicted of selling barbiturates.

A poliution fine assessed an oil trucking company was reversed by the Court of Criminal Appeals.

The Third Court of Civil Appeals reversed a $241,875 default judgment against an out-of-state man sued for failure to deliver diesel fuel on grounds he was not properly served with legal citations.

Probation and enforcemen officers must make a diligent effort to arrest a probation violator before revoking his probation.

AG OPINIONS

Attorney General Hill held Texas Youth Council must accept juvenile aliens properly committed to its custody by courts as delinquents.

In other opinions, Hill concluded:

A county cannot contribute public funds for construction of a facility to be operated by a private livestock show corporation.

OLD PHILOSOPHER

Dear editor:

According to an account in the paper the other day, a Federal judge, having found four executives of a big outfit guilty of price-fixing, has sentenced them to six months work in the Salvation Army or similar public service work. He said fining them for breaking the law, like fining all those big-shot executives who made illegal campaign contributions, wouldn't achieve anything, their companies would just pay the fine and that'd be the end of it.

In other words, I guess you'd say, the judge was underlining the principle of penalizing the individual rather than the company, and I think the idea should be expanded.

For example, in a football game6 say the wide end, eager to get down field to catch a pass, jumps off sides. Why penalize the whole team for one man's error? Instead, just penalize him. Make him line up five yards back on the next play. Somebody clip? Put him back 15 yards.

Now this would be a little more difficult in basketball but it can be swung. Say a 6-foot-8 forward fouls an opponent. Don't give the other team two free shots. Penalize him one foot, thus requiring the coach to replace him with a player who's 5-foot-8. Have a tape measure handy to make sure. This would give all-size kids a chance to play basketball. By the time the game was over some coaches would be reaching down into kinder garten.

Speaking of odd sentences, another Federal judge the other day sentenced a lawyer to a two-year probated sentence without supervision when he was found guilty of being involved in a fradulent land investment scheme. The attorney for the lawyer told the judge his client had practiced law for 25 years and "w uld not benefit from prison." That's probably right, just as the investors swindled by the fraudulent land scheme didn't benefit either. You've got to keep things in balance.

Unless you're talking about the Federal budget.

Yours faithfully,
J. A.

Sharp Tracy Friendship

By Mrs. Leroy Guillote

Weekend guests of Mr. and Mrs. Howard Coffman were Miss Linda Coffman of Dallas, Mr. and Mrs. Freddie Coffman, Brenda, Susan, and Howard Lee of San Juan; and Mr. and Mrs. Jimmie Coffman of Austin.

Mrs. Nelson Davis is a patient in St. Edwards in Cameron.

Mr. and Mrs. J. D. Pope spent the weekend in Austin with Mr. and Mrs. John Dewey Pope and Melisa.

Mr. and Mrs. Tim Hanke and son, Joe Wayne of Palacious spent the weekend with his parents, Mr. and Mrs. Karl Hanke. They also visited a while Saturday night with Mr. and Mrs. Leroy Guillote.

Mr. Clyde Caffey of Pasadena spent the weekend with his mother, Mrs. Ruth Caffey.

Mrs. Finis Voyles went to Temple Thursday to see her brother, George Piskie, who is a patient at Scott & White following knee surgery.

Sunday, Mr. and Mrs. Voyles and Clara drove to Wallar to visit with the Jimmy Ferguson family. Sunday morning they were guests of Mr. and Mrs. Carey Offield and sons, helping Mr. Boyd Offield celebrate his birthday.

Mr. and Mrs. Lewis Modesett were hosts for the 88 domino party Thursday night. Guests from Thorndale were Mr. and Mrs. Bremond Culp, Mr. and Mrs. Calvin Leper, and Mr. and Mrs. Buddy Stigall. From Thrall were Mr. and Mrs. Gene Oliver and Mr. and Mrs. Bill Caeser.

Mr. and Mrs. Caroll Modesette and children of Austin spent the weekend with his parents, Mr. and Mrs. Lewis Modesette. mrs. Mabel Charles and Mrs. Willie Schwartz also spent a while with them.

Jennifer Michelle Eden, 8 pound, 1 ounce daughter of Mr. and Mrs. Randy Eden was born Valentine day at St. David's Hospital in Austin. Jennifer's grandparents Mr. and Mrs. Robert Stevens, accompanied by Mrs. Leroy Guillote, went to see the new baby and Cindy Eden Friday. The Edens live in Round Rock.

Weevils Hurt Bur Clover

By Bill McCutchen

Many Milam County cattlemen depend rather heavily on bur clover pastures in the late winter and early spring and it can be a lot of help.

Last year the Alfalfa Weevil destroyed most bur clover pastures before they were much help and they threaten to do the same this year.

The Alfalfa Weevil is a newcomer to Texas and one we didn't need. He was first detected in1968 and since then has infested most of the state. The adult Alfalfa Weevil is a snout beetle about 3/16 inch long. The adult is light brown with a broad, dark stripe running about halfway down the back from the head. As the weevil grows older, it becomes uniformly dark brown or almost black.

The larvae stage of this insect does the damage, skeletonizing the leaves and killing the clover plants.

It could be worth spraying your pastures if you are dependent on bur clover for early grazing and many are. It might be wise to check your pastures for this pest now as they can destroy bur clover quickly and several reports have been received of damage. Several chemicals can be used for control. Call the County Extension office for specifics.

REMOVE CATTLE

If you are planning on a grain crop on your wheat, livestock should be removed soon. If the wheat is closely grazed remove animals now, if not you could possibly graze to the end of February without reducing yields.

Moderate fall and winter grazing usually has little effect on grain yields and may even prevent lodging and increase tillering.

Late grazing, however, seriously reduces grain yields due to removal of the plants growing point, loss of accumulated nitrogen in the forage and decreased leaf area needed for vegetative regrowth.

If you have grazed wheat or other small grains, topdressing with nitrogen should be done now to stimulate grain yields.

Bankers Hear Farm Specialist

"If a farmer or a banker is conducting his business today as he was two years ago, then he won't be in business two years fromnow."

That statement came close to summing up the views of a well known Brazos County farmer when he spoke Monday to members of the 23rd annual Farm and Ranch Credit School for Commercial Bankers (Feb. 10-12) at Texas A&M University.

W. P. Scmardo, who with his son farms about 900 acres of cotton land, offered advice on selection of a banker by a farmer, and he cautioned about such complexities as the futures market and forward contracting.

An estimated 250 persons registered for the conference. Sponsors are the Texas Agricultural Experiment Station, Texas Agricultural Extension Service, and the Agricultural and Rural Affairs Section of the Texas Bankers Assocation. A&M's Department of Agricultural Economics conducts the meetings.

Scamardo said it is important not only to pick a farm-oriented bank, but also to deal with the right man in the bank.

"Or the farmer better have a banker with a compatible personality. If there is any kind of personality or thought process conflict--on either side--then the relationship is most apt to be quite futile," the speaker said.

The farmer must share all his information with the banker, and must not lie about anything in his business, Scamardo emphasized

"Anytime a farmers feels he can't tell his banker everything about his business, then he better be looking for a new banker," Scamardo said. "And he can't expect his banker to go along with emotional reasons for some of his business practices, such as 'because my dad did it that way,' or 'because I just like this way better'."

When buying fresh citrus, select fruits that feel heavy when held in the hand. These will be juicier, say Texas Department of Agriculture home economists.

HOW'S YOUR Agri-Culture?
FARM OUTPUT IN THE SOVIET UNION IS 20% LESS THAN THAT IN THE U.S.A.
YET THE USSR HAS 40% MORE CULTIVATED LAND AND TEN TIMES AS MANY FARM WORKERS AS WE HAVE...
THUS, 1 RUSSIAN FARM WORKER FEEDS ONLY 7 PEOPLE WHILE HIS AMERICAN COUNTERPART FEEDS ALMOST 50!
CLIMATE, FARM MECHANIZATION, TECHNOLOGY, AND GOOD OLD AMERICAN INGENUITY MAKE THE DIFFERENCE

Cattle Slaughter To Increase

The slaughter of grass-fed cattle, calves, and yearlings increased sharply during the past year due to high feed costs and low prices for feeder animals.

Will there be a change in 1975?

"The same trend in commercial slaughter will continue, but increases will be even more drastic than in 1974," points out Dr. Ed Uvacek, livestock marketing specialist for the Texas Agricultural Extension Service.

"Since there will be fewer animals moving to feedlots, beef supplies will come primarily from bulls, cows, calves, and non-fed steers and heifer," notes the Texas A&M University System specialsit.

Uvacek exprcts the slaughter of non-fed or grass-fed steers and heifers to increase a whopping 56 percent over 1974.

Farm Income Tax Errors Can Cost Plenty Money

"Every year, a number of common mistakes cost Texas farmers and ranchers additional dollars at income tax time," notes Dr. Wayne Hayenga, economist for the Texas Agricultural Extension Service.

With the March 3 deadline for filing returns looming ahead, the economist encourages farmers and ranchers to give special attention to their income tax returns to avoid costly errors.

He lists some of the major income tax mistakes:

1. Letting the tax accountant do it all. Producers must know tax laws themselves and be able to "Think taxes" with every management decision they make during the year. When using a tax accountant, be sure he knows farm tax laws and how your operations can affect your taxes.

2. Poor planning. The failure to buy or sell before the end of the year and lack of attention to timing sales and trade-ins to transfrom ordinary income into capital gains are costly management errors.

3. Failure to claim investment credit. This also reflects on poor planning since trading an implement too soon will reduce the amount of investment credit that can be claimed. Using the 7 percent investment credit can lighten the tax burden for many farm and ranch operations. Investment credit can be carried back three years to retrieve tax money previously paid, or can be carried forward seven years to save on future taxes.

4. Poor record keeping. To take full advantage of tax credits, good records are a must. A good record-keeping system should meet the needs of production operations and tax record requirements. Good record also help keep track of expenses that might otherwise be overlooked.

5. Failure to watch tax changes. As tax laws and court rulings change from year to year, the agricultural producer must keep abreast of all items that may affect his operation. Of special importance is the Keogh Act which provides for tax-free retirement benefits. The Act allows a deduction of 10 percent of earned income or $2,500 whichever is less, to be set aside--tax free--in a qualified retirement plan. Also, up to $2,050 may be paid to each dependent child annually for farm wages without losing an exemption, and the child owes no tax.

6. Failure to use capital gains fully. Capital gains can be a major source of tax savings. A long-term capital gain means that only one-half of the profit is taxed if assets were held for six months or more, except for certain classes of livestock which must be held at least 24 months.

7. Failure to deduct expenses for land clearing and soil and water conservation work. Currently, up to $5,000 or 25 percent of taxable income from farming in any one year can be deducted for clearing land to make it suitable for farming. Excess amounts are added to the land cost and offset gain on sale.

8. Failure to deduct expenses for business trips.

"By thinking and planning taxes as well as keeping good records, income tax time can be less of a burden," says Hayenga. "The time spent in planning tax strategy could be the most profitable hours of the year."

FFA Youth To Compete In Show

Eleven members of the Cameron Yoe High School FFA Chapter will compete in the junior division of the Houston Livestock Show and Rodeo to be held February 19 through March 2. C. Tltsworth and Phil Van Cleave are Vocational Agriculture teachers.

The competition in the junior events is set for the second week of the show when 4-H and FFA boys and girls from all sections of the stae will be vieing for top premiums and prizes.

White Urges Energy Tariff Be Defeated

AUSTIN--Agriculture Commissioner John C. White recently sent a telegram to members of the Texas congressional delegation, urging the defeat of President Ford's energy tariff and tax proposals.

White said Ford's program would cost Texas farmers and ranchers up to $150 million more a year for basic food and fiber production. He added that after-farm energy costs for processing and transportation could raise the Texas consumer food bill by $500 million.

"On a per farmer basis, the added cost would amount to a 10 percent loss in profits from the highest recorded agricultural profit year of 1973," White wrote. "Irrigated farms would suffer greatest cost increases of as much as $10 to $12 per acre per year."

White sent the telegram to Rep. Abraham (Chick) Kazen Jr..

Farm-facts

A Weekly Report Of Agri-Business News

Compiled From Sources
Of The Texas Department of Agriculture
John C. White, Commissioner

Good News For Cotton and Hogs . . . 94, 74, 72 . . . Out Of Sight . . . Cut In Half.

At long last, the cotton market situation may be turning around. Cotton yarn spinners are becoming active again in the markets. Long-term contracts are being sought because inventories are being depleted.

While many other factors continue to depress cotton prices, the activity of cotton yarn buyers is a change from the hand-to-mouth purchases which were the rule for the past many months.

Some cotton specialists believe this may signal brighter overall market for cotton which may begin as early as the second quarter of this year.

It's now estimated that 62 per cent of the Texas cotton crop is unsold and still in the hands of producers; that would amount to about 1,440,000 bales.

Another part of the state's agricultural economy also has some good news. Swine producers have reason for the coming year to be optimistic.

Part of this is due to the reports of a fairly sharp reduction in pork supplies. Market hog numbers as of Dec. 1 last year were nine per cent below a year ago. Sows kept for breeding purposes were reduced by 15 per cent.

Production for the first half of this year is expected to be down 10 to 12 per cent, which should increase prices to pork producers. Generally, hog prices in Texas should range from $42 to $44 to the end of this first quarter. Prices are expected to decline somewhat during the second quarter but the outlook for the latter half of the year is bright.

FROM 94 to 72 in a year; that's a drop of 22 percentage points in parity for agriculture producers. The latest parity is set at 72, and that is down two points from a month ago.

All in all, it means continued declining prices for farmers, ranchers, dairymen, poultry producers, and others who are engaged in food and fiber production.

Officially, the all farm products index is at 433; this is a drop of 25 points or five per cent from a month ago and is 25 per cent under a year ago. The livestock index is 35 per cent below a year ago.

Perhaps the most significant thing about the price report is that all feed grains (oats excepted) showed declines. Continued downturns in feed grains can mean an increase later on in cattle on feed.

All classes of livestock except sheep are at below parity levels. Hogs are $10 under parity; beef cattle are half of parity; calf prices are a third of parity; sheep are 40 cents about parity.

NATIONWIDE and Texaswide, cattle numbers are up as of Jan. 1. In Texas, the inventory of Texas cattle and calves totaled 16,600,00; this is two per cent above a year ago. And there were five per cent more calves born on Texas farms and ranches, which is five per cent above the previous year.

Nationwide, there is a three per cent increase in the cattle and calf category. But indications are that a decline in cattle numbers will continue through 1975.

A 53 PER CENT decline in sheep and lamb feeding is reported in Texas Feb. 1 compared to a year ago.

Placements during January totaled 24,000 head. Marketings are 49 per cent below those sold during January of 1974.

It's A Champion!

FUNK'S G-522 FOR GRAIN

This medium-season grain hybrid has proven its ability to produce top yields on short, strong-standing stalks....in good years, and in tough ones. Order this champion today from your local Funk's -G dealer.

ANOTHER GREAT VARIETY FROM ROGERS

QUAPAW cotton

GOOD PRODUCTION
Quapaw cotton has a consistent high lint yield with approximately 85 pounds per bale **more** seed production than most other varieties.

GOOD FIBER
Quapaw cotton matures early resulting in consistency of fiber elongation. Staple length 31/32 to 34/32. Quapaw is a mature fiber of high natural luster. The mills like it.

GOOD MICRONAIRE
Quapaw's early maturity gives consistent good fiber with micronaire between 3.8 and 4.5 (well within market specifications). Quapaw's micronaire is an important price factor in today's market.

GOOD COLD TOLERANCE
Reports from growers (Texas Valley to High Plains) say that Quapaw can withstand more adverse conditions than most varieties resulting in "**less plant over.**" Quapaw is bred for "once over harvesting" and is adaptable for either picker or stripper.

From Burlington

By Mrs. Gerald Foshea

Melvin Dorner of Houston, Mr. and Mrs. Herman Dorner Jr., Yvonne and Terry and Mr. and Mrs. Ronnie Dorner and Dianne had Sunday dinner with Mr. and Mrs. Herman Dorner Sr.

Mrs. Bob Wied, Mrs. Aleta Marek, and Mrs. Mertie Weiser visited Mrs. Mary Hensel of Rosebud last Wed. night.

Mr. and Mrs. Chster Rogers of Galena Park visited Mrs. J. T. Prescott and Jake last week.

Mrs. Herbert Haase of New Jersey, Mr. and Mrs. Casper Balka of Bleibersville and Mr. and Mrs. Tom White of San Antonio visited Mrs. Aleta Marek Sun. evening.

Mrs. Thomas Polk of Rosebud returned home last Wed. after having surgery at Santa Fe Hosp. in Temple.

Mr. and Mrs. Wayne Weiser and Patricia; Mr. and Mrs. Houston Brown, Russ, and Alan of Troy; and Mrs. Stanley Kirk and Krisit of Cameron has supper with Mr. and Mrs. Leonard Pelzel on Sunday.

Mr. and Mrs. Billy Jeff Prescott and girls of Houston, Mrs. Allene Cowger and children of Temple, and Mr. and Mrs. Tommy Layne and boys of Rosebud visited Mrs. J. T. Prescott and Jake during last weekend.

Mr. and Mrs. Willie Adams, Mrs. Selma Jones, and Mrs. Mertie Weiser of Rosebud visited Mr. and Mrs. Henry Davenport on Fri. night.

Mrs. Tonie Stoebner of Ben Arnold entertained the 42 club on Tues. afternoon.

Mrs. James Bostick and girls of Ft. Worth visited her parents, Mr. and Mrs. Phil Krause last Sun. evening.

Mr. and Mrs. Henry Davenport returned home last Sun. evening after spending the weekend with their son, Rev. and Mrs. Henry Davenport, Trozie, Judson, and Steve of Norphlett, Ark.

Buckholts

By Mrs. Edwin Gandy

Mr. and Mrs. W. C. Beckhusen have just returned from their trip to Hawaii. They relly enjoyed their trip with such nice weather and mild temperatures there while it was freezing here.

Mr. and Mrs. Cecil Criswell have returned from their trip to Florida. They were accompanied on their trip by Mr. and Mrs. Lloyd Ezzell of Rogers.

It is good to have Mrs. Bernice Woodward back home after spending some time with her daughter and son-in-law Mr. and Mrs. Herman Copeland.

Mr. and Mrs. Steve Burtis and Mr. and Mrs. E. B. Hyer spent Monday in Austin.

Mr. and Mrs. Ladis Joe Marek and family of Waco spent the weekend with his parents Mr. and Mrs. Ladis Marek.

Visiting with Mr. and Mrs. L. A. Svetlik Sr. over the weekend were Mr. and Mrs. U. D. Adams and sons of Austin.

Mr. and Mrs. Jimmy Prater and children of Taylor came and stayed with the Beckhusen boys while their parents were on their trip to Hawaii.

Jeff Beckhusen of Austin will be home from school on a 4-day holiday starting Thursday and he will have to repor t back to school on Sunday.

Mrs. Ida Seaton is home from the hospital, where she spent several weeks after being injured in a one car accident.

Visiting with Mr. and Mrs. R. L. Lock over the weekend were Mr. and Mrs. Leonard Warren and son, Tim , of Houston. While here they attended the funeral of George Ward in Cameron. Later on Sunday afternoon they all visited Chilton Lock and family of Temple.

Graham Elected Chairperson

Mary Lee Graham, daughter of Mr. and Mrs. Billy Graham of Thorndale, will serve as chairman of the District 10 4-H Council following a recent election. District 10 covers 18 counties in the south central part of the state.

Mary Lee is an active member of the Thorndale 4-H Club. She has served in various local club offices including recreation leader and council delegate. She is presently serving as chairman of the 1974-75 Milam County 4-H Council.

Her election to this position makes her a member of the Texas 4-H Council. The state council is composed of two representatives from each of the districts in the state. She will be attending Texas 4-H Congress in San antonio in July, will be honored at the State Fair of Texas Honor Awards Banquet in October, and will receive the Rural Youth Honor Award at the San Antonio Livestock Show in February 1976.

Mary Lee has carried a number of projects and is also active in school activities, serving as a twirler for the Thorndale High School Band and singer in the Thorndale Youth Choir.

In 1973 she was first place winner in county, district, and state competition in the money management demonstration. In 1974 she and her team placed first in state in the farm and ranch management contest. She was also one of the top 12 finalists in the state dress revue in 1973 at the State Fair in Dallas. In October 1974 she was named Gold Star Girl for Milam county and outstanding 4-H girl by the Chamber of Commerce. In June 1974 she was one of 120 delegates to participate in the National 4-H Citizenship shortcourse and Heritage Tour in Washington, D. C.

Student Body Elects Officers

The student body of Yoe High School met and elected Student Council officers for the 1975-76 school year.

Those elected to office include Joe Smitherman, president; Richard Raymond, vice-president; Diana Chubb, secretary; Brian Cobb, treasurer; and Stanley Manners, parliamentarian.

BIRTH

To Mr. and Mrs. Joe O'Caras, of Rosebud, a girl, Melissa Gail, born Feb. 16, at 3 p.m. at St. Edwads Hospital in Cameron. Melissa weighed 7 pounds and 14 ounces. Grandparents are Mr. and Mrs. Lupe Sedillo of Rosebud, and Mr. and Mrs. M. E. Trotter of Irdell.

To Mr. and Mrs. Joe J. Rozner of Cameron, a girl, Jennifer Ann, 7 pounds 15 ounces, born Feb. 12 at St. Edward Hospital. Grandparents are Mr. and Mk. Joe Rozner of Cameron and Mrs. Ruby Dukatnik of Temple.

Yoe Seniors To Present 'M*A*S*H'

The Senior Class of Yoe High School is rehearsing "M*A*S*H," a two-act comedy based roughly on the movie, for presentation at the Ben Milam Cafeteria on February 27 and 28. The curtain will go up at 7:30 both nights.

Tickets may be purchased from Seniors the week of the play, or at the high school office and will be $1 for students and $1.50 for adults.

Some members of the cast are Jeff Smitherman as Hawk Eye, Eddy Coker as Trapper, Mark Harwell as Duke, Gene Koprive as Radar, Randy Sapp as Corporal Klinger, Lynn Willy as Hot Lips, Ladis Slavik as Colonel Blake, and Deborah Williams, Paula Perkins, and Melissa Lester as the Bonwit Sisters.

The director of the play is Ms. Rosson.

Four Students Earn Distingushed Ranking

Four students from Cameron have earned "Distingushed Student" ranking at Texas A&M University, announced Registrar Robert A. Lacey.

These students include David W. Hollas, a freshman entomology major and the son of Mr. and Mrs. Louis W. Hollas; Clifford D. Marburger, a senior agricultural major and the son of Mr. and Mrs. Clifford Marburger; James G. Tumlinson, a sophomore biomedical science major and the son of Mrs. Jean H. Tumlinson; and Paul D. Vaculin, a freshman agronomy major and the son of Mr. and Mrs. Emil F. Vaculin.

The undergraduate honor is awarded to students who have excelled academically. Recipients must earn at least a 3.25 grade point ratio, from a possible 4.0 during the most recent grading period.

The "Distinguished Student" ranking is limited to 10 percent of TAMU's undergraduate enrollment.

Provasek To Dean's List

Ernest Ray (Ernie) Provasek, son of Mr. and Mrs. E. J. Provasek of Cameron was named to the Dean's List at Sam Houston State University for the fall semester, ending in December.

Ernie, a freshman at Huntsville, received a 3.40 out of a possible 4.00

PLEASURE & PROFIT CLUB was hostess Tuesday to the Friends of the Library program, which included book reviews by Mrs. Robert Curry of Temple. Shown here readying the table are Mrs. Maurice Heitman, left, and Mrs. Laura Grimes, president of the club. The program was held in the Cameron Library.

Library Lists New Books

The following books have been purchased with Federal funds through the Temple Public Library:

Go Ask Alice--Anonymous

LOSE UGLY FAT
Start losing weight today or money back. MONADEX is a tiny tablet and easy to take. MONADEX will help curb your desire for excess food. Eat less — weigh less. Contains no dangerous drugs and will not make you nervous. No strenuous exercise. Change your life . . . start today. MONADEX cost $3.00 for a 20 day supply. Large economy size is $5.00. Also try AQUATABS: they work gently to help you lose water-bloat. AQUATABS — a "water pill" that works — $3.00. Both guaranteed and sold by:
Dusek Pharmacy Cameron-Mail Order Filled MA-9

"What's the status of TP&L's nuclear power plant?"

A. Construction of the Comanche Peak Steam Electric Station was begun recently at a site about five miles north of Glen Rose in Somervell County.

Q. "How much land area will be involved?"

A. Approximately 8,500 acres. This will include a 3,200-acre lake adjoining the plant which will provide cooling water for the plant.

Q. "When will TP&L customers start getting electric power from the plant?"

A. The first of two 1,150,000-kilowatt units is scheduled to go into operation in 1980 and the second in 1982.

Q. "Will some other companies be getting power from the plant?"

A. Yes. The plant will be jointly owned and utilized by Texas Power & Light, Dallas Power & Light and Texas Electric Service.

Q. "Why is a nuclear plant necessary?"

A. Rising costs and a shortage of future supplies of natural gas and oil compel use of more economical and readily available fuels for generating plants. Within the next five years, TP&L will reduce its dependency on gas and oil with plants designed and constructed to burn lignite-coal. While it is anticipated that lignite will continue to be an important fuel well beyond the year 2000, the long-range solution to fuel problems appears to lie in nuclear generating plants.

Q. "How safe will the plant be?"

A. The planning, construction and operation of the Comanche Peak plant is subject to close examination and rigid regulation by the Atomic Energy Commission and other federal and state agencies. Devices and procedures in the plant will guard against every conceivable possibility which might endanger plant employees or the general public. Today, there are more than 50 nuclear generating units in the United States and there has never been a nuclear-related injury to a commercial nuclear power plant worker or member of the public.

Yoe Takes Hutto In Warm Up

The Cameron Yoemen in their warm up game before the Bi-District game in Killeen Tuesday night found trouble in defeating a hot Class B team from Hutto. The Yoemen bearly came through to claim the win with a close, 59-58, victory.

Coach Kirby Priest's Hippos have accumulated a 9-0 district slate and have marked a 20-14 season record. The Hippos enjoy putting the pressure on the bigger schools and have shown their pride by nearly defeating the Yoe effort.

In the first quarter the Yoemen tried to shake the Hippos with a press which seemed to do little to that powerful Class 2B school.

The Yoemen sunk the first basket but that was the only thing that happened for the good. By the buzzer the Yoemen were looking from behind to the Hippos. The Class B Hippos had gained a 2 point advantage over the Yoemen.

The classification made little difference to the Hippos as they continued to make things hard for the class AA Yoemen. With 19 seconds left before the halftime intermission, Harry Brooks dropped in 2 points to draw the Yoemen within one of the Hippos. The Hippos took the halftime advantage, 32-31.

The lead exchanged hands throughout the third section of play. The lead never went over three points for the Hippos but all the Yoemen could do is to take a one point advantage early in the quarter.

By the buzzer ending the third quarter the Yoemen took their largest lead of the game, 47-44.

The lead was short lived and the Hippos continued to test the Yoemen strength. Early the Yoemen expanded their lead to five points. On a two shot foul call and a technical foul on Ronnie Bennett the Hippos drew to a 2 point deficit.

With 4:40 left in the warm-up game the Hippos tied the game at 53 all. Late in the game Brooks dropped in two important points to regain the Yoemen lead.

Sporting the 2 point advantage Randy Sapp stole the ball from the Hippos and it seemed the Yoemen could end the game at that point.

A sloppy pass, which continued to plague the Yoemen throughout the night, allowed the Hippos the ball. Michael White stole the ball back and was fouled and given a 2 shot foul. White failed to connect and the Hippos brought the ball down and a final shot by Craig Nygrin. Nygrin missed but was fouled as the buzzer was sounding and another chance was given to the Hippos.

In a tremendous pressure situation Nygrin sank the first and on the second shot the ball lipped the rim and bounced out giving the Yoemen the 59 to 58 win.

Tennis Season Opens

The Yoemen will start the tennis season this Thursday when they face Marlin. Tennis coach Ed Cauley said that there were 15 students out for tennis which was broken down to 9 boys and 6 girls.

This season there will only be two boys playing in the junior division and the remainder will be competing in the senior division. At this time Cauley stated that the singles and doubles teams had not been determined.

The Yoemen have no returning lettermen and the majority of the team this year is made up of sophomores. Cauley said that the schedule thus far included four double matches with Marlin and Rosebud-Lott.

The Yoemen will be competing against Marlin this Thursday and will travel to Marlin for a return engagement Thursday, Feb. 27.

Girls Play In Tourney

The girls volleyball team participated in the Mary Hardin Baylor Volleyball Tournament over the past weekend.

In the first round, the Yoe High volleyballers drew a bye and advanced to the second round in the winners division.

In the quarter-finals the girls played Buckholts and beat them 15-5 and 15-10.

In the semi-finals the Yoe girls marked tough competition against Giddings. The game lasted out the eight minute clock and went into play until one team gained a two point advantage. Giddings took the decision, 13-11. In the second game it looked like a replay as the teams battled past the eight minute limit. Giddings was able to advance when they took the second match 11-9 over Yoe.

The Yoe girls were able to place Teresa Pittmon to the All-Tournament team. The Volleyballers will play at Yoe gym this Thursday evening when they face Giddings. The games will start at 6 p.m. and the varsity will begin at 7. Admission to the games has been set at 50¢ for adults and 25 ¢ for students.

Sports Spotlight

By Forrest Guess

The Cameron Yoemen seem to be dominating the 23-AA picture as they sench the second District Title for the year. What's next, it looks like the girls are working hard for a bid for the title in volleyball, track is starting up, and baseball is in the air.

It might not be fair for the Yoemen to dominate the district in every thing but that won't be keeping them from trying. It has been an unusual year for the Yoemen and the district title in basketball was the first since 1970. The Yoemen were then playing in district 19-AA and were able to take Bi-District before falling in the Regional playoffs. To look back further the Yoemen took a district crown way back in 1953 again playing in AAball when they went to the Regional finals before being defeated.

The Yoemen will face the Burnett Bulldogs in Bi-District competition which looks like an instant replay from the grid post season play. The Bulldogs marked a impressive 17-3 win-loss record for the season while marching through their district with only one flaw. The Bulldogs fell to Llano in five overtimes to put the only notch in their loss column.

Talking to Coach Ken Poole he had the following remarks about the team that brought him his first district championship: "I felt we didn't have a real good night aganist the Hearne Eagles and in certain areas and fundementals were weak. The Eagles have a real fine ballclub and were lucky to bring out the win."

"I was proud of the end result in that fact, the Yoemen never gave up. That is one noticeable mark about the Yoemen in that they never give up. That is a mark of a winning team with a tremendous amount of pride and character."

Poole also said, "We should be on the upswing after the belated season. Burnet has a 6'2" man which is their biggest. Doak Field is their best outside shooter. The Bulldogs rely on the inside game and use Shipley and Heislescher to do the work.

About the outcome of the game for the Bi-District title Poole said, "They are extemely quick on the inside and are fairly strong on the boards. To beat them we will have to play a real sound offensive and defensive game.

I'm going to say on the pick that the Yoemen will help hang the Bulldogs jerseys up for the season. It will look like an instant replay for the Bulldogs as they will have the same results as they did on the football field. Surely the Yoemen will take them by no less than 20 points. The Yoemen will take the hardwood at Killeen gym, Monday, Feb. 24. The sight was first announced at Taylor but has been changed to Killeen. the game has been scheduled to begin at 7:30 p.m.

Murray-Go-Round

By Tom Murray

BIG WHIRL:

Ah, recruiting.

Now that most of the scramble for new talent has subsided, Southwest collegiate football coaches have retreated to count their booty.

And the stories flow. And, also questions.

Like, what SWC school may be called on the carpet for hounding one super into signing when he really wanted to go to another? Seems he'd told his first choice he was coming and asked 'em to go slow while he finished basketball. Then, up pops the other folks with a whiz-bang, sign right here selling job.

Story is above player, a member of the Blue Chip List, is so incensed he's not only complaining but insisting he's not about to play for the people with whom he signed.

Fastest player signed: Well, Texas' Darrell Royal collected Hamlin's Johnny Jones, who steps the 100-yard dash in 9.4 seconds. . . .Tallest signed? Baylor inked Stan Hunt, the 6-9, 290-pound Denison Redwood. Plays defensive tackle, naturally. . .Fastest down lineman: Royal scratches again, inking Baytown Sterling's Steve Timmons to a UT letter. Can Stout Steve move? He's 6-1, 227 pounds and jets the 40-yard dash in 4.6 seconds. Not bad for a defensive tackle when you consider former Texas All-America Halfback Jim Bertelsen had an identical 4.6 best. And Bertelsen is a starting halfback with the Los Angeles Rams.

One of Emory Bellard's weaknesses at Aggieland had been the lack of a top fullback. Well, ol' Imry took care of that, signing top two in the state: Houston Sterling's Eddie Hardin, 6-4, 230, and George Woodard, 6-2, 230, out of Van Vleck. Woodard had been compared to UT's Earl Campbell.

Civil Religion Workshop Set

WACO

An authority on the New Testament will speak during a civil religion workshop Feb. 24 through 26 on the Baylor University campus.

Dr. Frank Stagg, James Buchanan Harrison Professor of New Testament at Southern Baptist Theological Seminary in Louisville, Ky., will be among several speakers to address the workshop that is jointly sponsored by Baylor's J. M. Dawson Lectures in Church and State series and the Christian Life Commission of the Baptist General Convention of Texas.

The Dawson lecture series ws initiated in 1960 and is sponsored by Baylor's J. M. Dawson Church-State Studies graduate program, directed by Dr. James Leo Garrett Jr. Both the lecture series and the graduate program are named for the late Dr. J. M. Dawson, a distinguished Baylor graduate, noted proponent of separation of church and state and pastor of Waco's First Baptist Church for more than 30 years.

All sessions of the workshop will be held in Miller Chapel of Baylor's Tidwell Bible Building,except for a dinner Feb. 25, which will be held in the Barfield Drawing Room of Baylor's Student Union Building.

Stagg will speak on "Rendering to Caesar What Belongs to Caesar: Christian Engegement with the World" at 9:30 a.m. Feb. 25, and on "Rendering God What Belongs to God: Christian Disengagement from the World" at 2 p.m. that day.

A native of Louisiana, Stagg holds bachelor of arts and honorary doctor of laws degrees from Louisiana College and master of theology and doctor of philosophy degrees from Southern Baptist Theological Seminary. He has done advanced study at Union Theological Seminary in New York, the University of Edinburgh in Scotland, the University of Basel in Switzerland, and the University of Tuebingen in Germany.

Stagg was pastor of the First Baptist Church of De-Ridder, La., from 1941 to 1944. He was a professor of New Testament and Greek at New Orleans Baptist Theological Seminary from 1945 to 1964, when he accepted his present postion at Southern Seminary.

Obituaries

Vogelsang

Ernest Vogelsang, 57, of Austin and formerly of Cameron, died Friday in Hawaii.

Funeral was at 2:30 p.m. Tuesday at Marek-Burns-Laywell Funeral Home with the Rev. Ken Morgan officiating. Burial was in the Vogelsang Cemetery.

Surviving are his widow, Mrs. Thelma E. Vogelsang, of Austin; a daughter, Mrs. Carl R. Tenn of Dallas; his parents, Mr. and Mrs. Will Vogelsang of Ben Arnold; two brothers, Iven Vogelsang of Ben Arnold and F. W. Vogelsang of Cameron' two sisters, Mrs. Minnie Marie Kuzel of Buckholts and Mrs. Ida Young of San Diego, Calif.

Richey

Mrs. Mattie Rickey, 83, of Rogers, died Sunday morning in a Temple hospital after a long illness.

Funeral was at 2 p.m. Monday at Gommert Funeral Home in Rogers with the Rev. Shelby Jones officiating. Burial was in Rogers Cemetery.

Surviving are her husband, E. L. (Peg) Rickey and several nieces and nephews.

Mrs. Rickey was a member of the First Baptist Church in Rogers.

Dr. Jekel Promoted To Colonel

KINGSVILLE

Dr. Eugene E. Jekel, associate professor of education at Texas A&I University in Kingsville, has been promoted to colonel in the U. S.Army Reserve.

Jekel is a member of the 416th USAR School with headquarters in San Antorio.

Jekel will be in Ft. Lee, Va., for two weeks in July to take a course in logistics management.

At A&I he is director of laboratory experiences in teacher education. He teaches a course in Corpus Christi for the Industrial College of the Armed Forces.

Jekel, a 1947 graduate of C. H. Yoe High School, is the son of Ed Jekel of Cameron.

Gause News

By Mrs. Wanda Lee

The school children had their annual valentine party Friday afternoon. They all received many valentines, candy, and gum from their classmates and teachers and were served refreshments of cupcakes, homemade cookies and punch furnished by the mothers.

The Parent Club spent some of the money that was made from the activities that they've sponsored to put linoleum on the floor of the kindergarten room. It really has made a difference in the appearance of the room and Mrs. Dorsey Wilson, the kindergarten teacher, reports that the children are really enjoying it. Plans are now being made to do the same in Mrs. Ethel Slay's first and second grade room.

Mrs. Annie Hardcastle is now a resident of the Waggon Wheel Lodge in Hearne.

Mr. and Mrs. Koye Cass visited in Lexington Saturday night with Mr. and Mrs. Jimmy Cass, Dwayne, Lisa, and Carmen.

Mr. Lee Palmer of Elgin visited Saturday with Mr. and Mrs. J. A. Young. His purpose for coming was to plow the Young's garden but got rained out.

Mr. and Mrs. Garland Hux Staci, and Jeff of Cameron visited Saturday with Mr. and Mrs. Cecil Butler.

Mrs. J. T. Todd is home after spending nearly three weeks in a Cameron hospital. Mr. and Mrs. Travis Neely and twins of San Juan visited over the weekend with Mr. and Mrs. Todd and other relatives.

Visiting with Mrs. Rush Hariston Sunday were Mr. and Mrs. Danny Grimmett of Houston, Mr. and Mrs. Garry Bess of Houston, Mrs. Ida Morgan and son Larry of Houston, and Mrs. Ouida Crouch of Gause.

Mrs. Ouida Crouch, Mr. Ida Morgan, Larry, Mr. and Mrs. Rush Hariston went by Newton Hospital to see Mrs. G. O. Cox and Mrs. Ida Mullens.

Also visiting at the hospital were Mr. G. O. Cox and Mr. John R. McCabe of Houston, John Ray of Houston, Marvin Cox and Mike Nowotny of Houston.

Where are You Going?

"Look, Daddy! A stopped freeway!"

Eight-year-old Kristen pointed at the span of concrete that soared over the road ahead of us and then ended abruptly as if it had encountered an invisible wall.

Two months later, we took a hike in the country. A small trail led us through green fields of waving grass and wildflowers. There the trail ended, gradually, as if reluctant to stop.

Is your life like a freeway—fast, impressive, known to many? Or is it more like a trail—plain, but comfortable, less well-known, but quite adequate?

It really doesn't matter.

The important question is: Does your life have a goal?

A freeway or trail can end, gradually or abruptly, without ever reaching a specific destination.

In God, your life can have a goal. In church, He'll tell you how to reach it.

TRAVEL TIPS AND TRICKS

MEETING PEOPLE ALONG THE WAY

You will meet them in cable cars, ferries, sightseeing buses, at your hotel. The happy fact is, meeting people is easier when you are traveling than it is at home. Here are a few friendly tips to make sure you'll meet the most congenial people on your trip.

* * *

Ask your friends if you can act as a courier for them to their friends abroad. When you can

say, "I bring you greetings and a small token from Mrs. So-and-So," you won't feel embarrassed calling on a stranger expecting a gesture of hospitality.

* * *

The key to hospitality all over the world may lie in your interests and professional connections. Writing to a club, association, or organization you're interested in before you leave home can lead to all sorts of meetings.

* * *

When you're traveling, you can find 1,700 "familiar faces" around the world in the form of Holiday Inns which offer you American style food (in addition to local) and American standards of comfort and quality.

* * *

USING BELTONE HEARING AID CAN BE FUN, NECESSARY TOO

A local professional person made the following remarks about her experience with a Beltone Hearing Aid and the H. R. "Tex" Mayhall Co. She said:

"I have been using a hearing aid for the past nineteen years. Most of my friends do not know that I have a hearing loss."

This was not true years ago before I had a hearing aid. People felt I was extremely reserved, in fact haughty and no one realized this was a cover-up because I was trying to conceal the fact I did not understand when spoken to."

I feel very well qualified to tell the Beltone story which is that they really want to help peoplewith their hearing problems. I have seen people from all walks of life in the Beltone office-both professional and manual laborers and all of them have been given the same concerned attention."

The other day at the Beltone office, 127 E. 7th., a 98-year old received herfirst hearing aid. It was like turning on the world's largest Christmas tree in Zilker Park.

Even for her to hear the car brakes screeching outside the office was a delight since she had not heard in so many years.

A young woman who is a trained nurse had been on duty all night, came in to have her aid cleaned. She remarked that there was nothing so important to her as the help of a well fitted Beltone hearing aid because without it she could not work.

If you are concerned about a hearing problem , or any member of your family, it would be wise to take your problem to see your Beltone Hearing Aid Consultant **WED FEB. 26, MILAM MOTEL 10AM-12NOON.**

Card Of Thanks

Joe Lee and I just wanted to say "thank you" to everyone who has shown such great concern, friendship, and love to us during and after Keith's surgery. The cards, gifts, food, flowers, visits, and prayers meant so much to us. A special thanks to Bro. and Mrs. Lafferty for their many comforting visits. Also thank you to everyone who helped to move us in our new home and to the crew of men who worked so hard on our yard. May God bless each of you.

Joe Lee, Raye,
Jill & Keith
Humplik

Legal Notice

THE STATE OF TEXAS
COUNTY OF MILAM
TO THE UNKNOWN OWNERS OF THE HEREINAFTER DESCRIBED UNDIVIDED PORTION OF LAND AND TO RITA M. BAKER, LA SHAUV BAKER, LA VER BAKER, DORIS A. BAKER, RUTH M. MERKERSON, JAMES E. BOOKER, AND ALLEN STOVALL, AND THE UNKNOWN HEIRS OF ANY OF THEM IF ANY ARE DECEASED, THE PLACES OF WHOSE RESIDENCES ARE UNKNOWN AND TO THE UNKNOWN HEIRS OF THE HEREINAFTER DESCRIBED UNDIVIDED PORTIONS OF LAND: GREETING:

You and each of you are hereby commanded to be and appear before the District Court of Milam County at the Courthouse thereof in the City of Cameron at or before 10 o'clock A.M. on the first Monday after the expiration of forty-two (42) days from the date of issuance hereof, the same being, the 31 day of March, 1975, then and there to answer a petition filed in said Court on the 28th day of January, 1975, in a suit numbered 17010 on the docket of said Court, and styled JOE TOMERLIN VS. RITA M. BAKER AND LA SHAUV BAKER, ET AL, wherein Joe Tomerlin is Plaintiff and Rita M. Baker, La Shauv Baker, La Ver Baker, Doris A. Baker, Ruth M. Merkerson, James E. Booker, Allen Stovall, Bobbie Ruth Jones, Janice Jones, Arnette Jones, Jewel Jones, Jr., Kimberly Jones and Cecil Jones are Defendants and all other heirs of Amelia Baker whose names and whereabouts are unknown to Plaintiff and any unknown heirs of any other persons unknown to Plaintiff herein are Defendants, the nature of said suit being one of refirmation of a deed and for partition of the following described real estate situated in Milam County, Texas:

All that certain lot, tract or parcel of land situated in Milam County, Texas, and described as follows:

Lot 2 in Block 3, Subdivision B of the Henderson - Arnold Addition to the City of Cameron.

Being the same property described in a deed from T. S. Henderson to W. L. Harris, dated December 1, 1911, and of record to Volume 105, page 612 of the Deed Records of Milam County, Texas.

Said suit being brought by Plaintiff, where in the said parties are alleged to own the following interest in said land, to-wit: The Plaintiff owns an undivided 7/9ths interest and the Defendants, Rita M. Baker and La Shauv Baker and/or their heirs if they or either of them are deceased own an undivided 2/9ths interest.

If this citiation is not served within ninety (90) days after its date of issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to the requirements of law, and the mandates hereof, and make due return as the law directs.

Witness, Grady Allen, Clerk of the District Court of Milam County, Texas.

Issued and given under my hand and seal of said Court, at Cameron, Texas, this 11th day of February, A.D. 1975.

Grady Allen
Clerk of the District
Court of Milam County, Texas.

Legal Notice

CITATION BY PUBLICATION

THE STATE OF TEXAS
TO: Ronnie Ray Shrader
Defendant, Greeting:

YOU (AND EACH OF YOU) ARE HEREBY COMMANDED to appear before the 20th District Court of Milam County at the Courthouse thereof, in, Texas, by filing a written answer at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 31st day of March A.D. 1975, to Plaintiff's Petition filed in said court, on the 14th day of February A.D. 1975, in this cause, numbered 17,043 on the docket of said court and styled In the Matter of the Marriage of Mary Ellen Shrader and Ronnie Ray Shrader and in the Interest of Jerry Allen Shrader, Bonnie Faye Shrader and Rita Gay Shrader.

A brief statement of the nature of this suit is as follows, to-wit:

Suit for divorce on the grounds of incompatibility.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Witness, Grady Allen, Clerk of the District Court(s) of Milam County Texas.

Issued and given under my hand and the seal of said court at Cameron, Texas, this the 14th day of February A. D. 1975.

Grady Allen Clerk,
